Eparchy of Newton

18 March 2020, 8:30pm

Dear Parish

Unfortunately, Bishop Nicholas has asked that public Lenten services be suspended and that, if the local Latin diocese has done so, public Divine Liturgies be suspended as well through at least March. As the Archdiocese of Milwaukee has suspended public Masses, all of the public services at St. George have been cancelled through at least the end of March, including for the Annunciation on March 25th. It sounds like Fr. Hezekias is compiling a list of churches that will be live streaming services (with only 2-3 in attendance) and perhaps some other resources to help us keep the fast; I will send this out after I receive it.

Yours truly
